Dear Chellan and Members of the Calgary Centre,

I was sorry to learn of the death of Herta E. Anderson. On behalf of her colleagues in the RCCO, I express our deepest sympathy to the members of the Calgary Centre. Her presence will be missed among her many friends and colleagues. I know that Herta had been an active and faithful supporter of the College.

Please accept this letter as our recognition that Herta's death is a loss to the College as well.

Sincerely yours,
